

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

Dear Parent/Guardian,

Welcome to the YMCA Learning Academy and Success Before/After School age, providing quality programs and education year-round for preschool children, kindergarten readiness, and for school age children before and after school, on school days off, on snow days, and all summer long. Our program address all domains of development and aligns with standards for the State of Ohio. Children at the YMCA focus on academics (homework help/tutoring), health and wellness (gym, swimming, outdoor), 21st century skills, global learning, service learning, arts, leadership development, college career readiness, math and literacy-all in a safe environment. We focus on youth development, healthy living, and social responsibility.

Please complete the entire registration packet. The State of Ohio requires all lines to be complete. Once you have filled out the packet, please turn it in along with your \$15/child registration fee.

Along with this packet, you will also be responsible for reading the parent handbook and signing the payment agreement, disciplinary policy, permission forms, easy pay agreement, and acknowledgement of receiving the parent handbook.

All parents are required to make payments on the Friday prior to the week of service provided. This is done with an automatic charge to your credit card, debit card, checking, or savings account. If using a checking or savings account, you must provide a voided check for the account. Parents using the Ohio Electronic Child Care swipe system are responsible to complete transaction within the 10 day window swipe period or will incur the miss swipe charge.

Thanks for choosing the Y!

Sincerely,

Annette Griffin, Child Care Director
